

COMING JAN/2019 - B337 Virtuo Granite Stone Grey Double Bowl

\$595,00 CAD

Virtuo Granite-a luxurious, modern look that will compliment any kitchen décor Ultra decadent, Ultra resilient, Ultra stylish, Ultra rock-solid.

Virtuo Granite kitchen sinks are becoming increasingly popular due to their ease of care, their resilience to everyday use & most importantly their beautiful appearance.

Bristol Virtuo Granite Sinks are made with 80% quartz content, thus making our granite sinks extremely durable, long lasting and resistant to scratching, staining, & denting.

As well, due to their non porous composition, the outward appearance and texture feels very luxurious & soft to the touch & the attractive rich look of stone positions these sinks as a high demand addition to a client's new kitchen. As well, due to their non porous composition, the outward appearance and texture feels very luxurious & soft to the touch & the attractive rich look of stone positions these sinks as a high demand addition to a client's new kitchen. . Our Virtuo Granite sinks are currently available in 5 trend setting models in the rich darker tones of Coffee Brown, Asphalt, Stone Grey, Pearl Black and Slate Grey.

The benefits your customers will experience by owning one of our Virtuo Granite sinks will definitely provide years of pleasure & we are proud to add these stunning sinks to our 2017 lineup. As we do with all of Bristol sinks, we are pleased to extend our lifetime limited warranty with our Bristol Virtuo Granite line-up of sinks.
